

Keysight Premium Used

Like-new. For less. 100% Keysight Quality.

Keysight Premium Used offers you a vast selection of high-quality test equipment. Each unit is remanufactured to like-new specifications and appearance. Get 100% Keysight quality and performance for less money.

Like-new warranty and support

- Same standard 3-year warranty as new models, extendable to 5 years
- Optional 3- or 5-year calibration plan
- Personal support from Keysight and authorized partners

Get more for your money

- Save at least 20% compared to purchasing a new instrument
- Add hardware and software options at the same saving
- Enjoy standard accessories and a full calibration

Find your Keysight Premium Used deal

- Browse our current inventory for a model that fits your budget
- Specify the options you need and submit your request
- You will be contacted between 3 to 5 business days
