

# Keysight **Warranty Assurance Plan**

Lowest-priced, most-convenient option to give you peace of mind that your instruments will perform with minimal disruption

Free repair coverage for 3 years

Up to 70% savings compared to one unexpected repair event

Businesses need every advantage to meet the challenges of today's fast-moving competitive environment

- Cost pressures
- Doing more with less
- Uptime/availability
- Speed to market
- Yield on the production line

Warranty Assurance Plans balance the risks associated with maintaining availability while increasing productivity

- Plan price can be 70% less than one unplanned repair
- Priority service enhances availability with faster turnaround time
- Greater convenience if service is needed
- Keysight-quality service at more than 50 service locations around the world

## Comparison of Warranty Assurance Plan to standard three-year warranty

Features	3-year standard warranty	5-year warranty assurance plan
Priority on-bench service		•
One-time six-month plan extension in the event repair needed		•
One ESD/EOS failure covered <sup>1</sup>		•
Ease of service with no purchase order delays	•	•
Calibration after repairs as needed <sup>2</sup>	•	•

1. Electrostatic discharge (ESD) or electrical overload stress (EOS)  
 2. Operational verification in most Asian countries

**Purchase a Warranty Assurance Plan with every new instrument for the lowest cost of ownership**

# Keysight Calibration Assurance Plan

OEM quality calibration at the lowest price, with the peace of mind that your equipment will perform at its original specifications
