

# Keysight Trade-In

## N518xB MXG, N517xB EXG X-Series Signal Generators

TRADE-IN CODE: 15-006

END DATE: February 28, 2015

### \* Terms and Conditions:

- Customer warrants that, when delivered, Trade-In products will be complete<sup>1</sup> and in good working condition<sup>2</sup>, with no interior, exterior, or performance modification.
- Actual percentages and amounts in local currency may vary based on the option configurations, currency exchange rates, and other factors that may cause the credit to change without notice.
- A purchase agreement (PA) will affect the Trade-In credit.
- Rental Partners are not eligible.
- Shown credits apply to new and Trade-In models with the matching frequency range / bandwidth.

Receive a credit\* of up to 50% when you trade eligible models from a variety of manufacturers toward a new Keysight N5181/82B MXG signal generator or N5171/72B EXG signal generator with the same maximum frequency as your trade-in.
