

# Keysight Trade-In

## E8257D PSG, E8267D PSG Signal Generators

TRADE-IN CODE: 15-007

END DATE: January 30, 2015

### \* Terms and Conditions:

- Customer warrants that, when delivered, Trade-In products will be complete<sup>1</sup> and in good working condition<sup>2</sup>, with no interior, exterior, or performance modification.
- Actual percentages and amounts in local currency may vary based on the option configurations, currency exchange rates, and other factors that may cause the credit to change without notice.
- A purchase agreement (PA) will not affect the Trade-In credit.
- Rental Partners are not eligible.
- Shown credits apply to new and Trade-In models with the matching frequency range / bandwidth.
- Indicated 836xxx models must be returned with a 8350x mainframe.

Receive a credit\* of up to 30% when you trade eligible models from Agilent, Anritsu or Rohde & Schwarz toward a new Keysight E8257D/67D PSG signal generator.
