Francis E Bauer

To whom it may concern

Test & Measurement Systems Inc (TAMS) grants a royalty free non exclusive license to Francis Bauer to copy and distribute for personal use in hard copy or electronic form any and all BASIC documentation to which TAMS holds a copyright.

Personal use shall mean use by an individual or organization for use in creating and modifying HP BASIC programs, even if the programs are owned or used by organizations, companies or corporations.

It specifically prohibits without prior approval copying or distribution of or for commercial products or any versions of BASIC other than HP BASIC to which TAMS has copyright.

This grant will remain in place unless revoked by TAMS giving notice in writing to Francis Bauer

Sincerely,

A handwritten signature in black ink, appearing to read "Alistair MacDonald", with a long horizontal flourish extending to the right.

Alistair MacDonald
Vice President
