

**Test and Measurement Systems Inc.
ceased all normal operations on March 31, 2016**

TAMS began operating in February 1992 and since then has been providing products and support to test and measurement users worldwide.

We wish to thank all the customers who over the years trusted us to provide products and services to them.

We also wish to thank our vendors who worked with us to provide all the parts, sub-assemblies and services that were needed to allow us to manufacture and sell our products.

Sincerely,

Doreen MacDonald - President
Alistair MacDonald - Vice President
David McGraw - Sales & Operations Manager
Stephanie Smith - Accounting Manager
David Kinsell - Engineering Manager
