

# UPS Electronic Return Label: View/Print Label

- 1 **Ensure that there are no other tracking labels attached to your shipment.**
- 2 **Customs Invoice** - 3 copies of a completed customs invoice are required for shipments with a commercial value being shipped to/from non-EU countries. Please insure the customs invoice contains address information, product detail - including value, shipment date and your signature.
- 3 **Collection and Drop-off**
  - o Daily Collection customers: Have your shipment(s) ready for the driver as usual.
  - o Take this package to a UPS location or to arrange for a collection, call UPS at 03457 877 877. [UPS Global Locator](#)
- 4 **Fold the printed label at the dotted line.** Place the label in a UPS Shipping Pouch. If you do not have a pouch, affix the folded label using clear plastic shipping tape over the entire label. Take care not to cover any seams or closures.
- 5 To acknowledge your acceptance of the original language of the agreement with UPS as stated on the confirm payment page, and to authorise UPS to act as forwarding agent for export control and custom purposes, sign and date here:

<p>XOL 20.12.11      WINTNV50 39.0A 11/2020*       TM</p> <p>Shipper agrees to the UPS Terms found at <a href="http://www.ups.com">www.ups.com</a> and UPS service centers. For international air carriage, the Warsaw Convention as amended or Montreal Convention may apply and limits UPS's liability for loss or damage to cargo. International carriage by road may be subject to the convention on the Contract for the International Carriage of Goods by Road. Except as otherwise governed by international conventions or other mandatory law, the UPS Terms limit UPS's liability for damage, loss or delay of this shipment. There are no stopping places agreed upon at the time of tender of the shipment and UPS reserves the right to route the shipment in any way it deems appropriate. Where allowed by law, shipper authorizes UPS to act as forwarding agent for export control and customs purposes. If exported from the US, shipper certifies that the commodities, technology or software were exported from the US in accordance with the Export Administration Regulations. Diversion contrary to law is prohibited.</p>

## Documentation Instructions

*Thank you for choosing UPS. Please review the following instructions regarding the documentation that must accompany your shipment.*

### **Provide the Correct Documentation**

- Government regulations require documents that provide specific information about your international shipment.
- Documentation regulations and requirements for individual commodities vary from country to country. It is essential to review the commodity-specific documentation necessary for both the country of origin and the country of destination. Depending on the commodity and its use, the accompanying documentation
- The shipper also referred to as exporter of record, is responsible for providing complete and accurate information for export manifesting and customs clearance in the destination country. It may be necessary to contact the company or person who arranged for the shipment of goods in order to verify the information and forms that must be submitted with the shipment.
- High declared value shipments must be accompanied by UPS documentation that lists the package and instructions for preparation. Please follow these instructions and present the completed documentation to a UPS driver or UPS customer service representative.

### **Providing a Complete Invoice**

- The invoice information is used for customs clearance and the assessment of any applicable duties or taxes charged by the destination country.
- Be sure to include the original invoice and two copies of the invoice with the shipment for proper processing.
- Review your documents and verify the accuracy of all fields.

### **To ensure your shipment is processed properly, you must sign the invoice.**

### **International Shipping Assistance**

- Visit [ups.com](https://www.ups.com)
  - o to download a commercial invoice or other international forms
  - o to find a drop-off location near you
  - o to arrange a pickup
  - o for additional information on how to contact UPS
- For assistance from the company you are shipping to, contact them directly.

Note: Not all services may be available in your area.
