

Antenna Pattern Elevation vs. Received Power at a fixed Azimuth
Azimuth at 90 degrees

Small patch antenna mounted top middle edge of a 200mm by 150mm rectangular plate 20mm thick

S1L = Serial Number 1 antenna receiving a Left Hand Circular Polarized Signal
 S1R = Serial Number 1 antenna receiving a Right Hand Circular Polarized Signal
 S2L = Serial Number 2 antenna receiving a Left Hand Circular Polarized Signal
